APPOMATTOX COUNTY FARM BUREAU

James H. Rosser was elected president of the Appomattox County Farm Bureau at the organization's annual meeting October 18,1975 at Appomattox County High School. More than 150 persons attended as the county Farm Bureau adopted six resolutions on local, state and national issues.

Other officers elected were: Vice-President, John Hix; Board members, Sammy Martin-Clover Hill, George Shirey-Stonewall, Harold Jones-Southside.President Rosser is a farmer in the Clover Hill district of the county.

In his report to members, President Rosser cited the growth of Farm Bureau membership. "We have established an all time membership record of 169 families" said President Rosser. He said that membership has grown all across Virginia with more than 37,000 families now holding membership in the state.

President Rosser told members that agriculture still faces many problems such as low profits and high production costs. He also spoke on private property rights. "The secret of American agricultural efficiency is profit, and the producers' assurance that land won't be taken away by sudden government decree." he said. "Environmentalists and urban conservationists are creating an issue on who shall own the land." He added, to protect the farming profession against excessive regulations and economic suppression we offer the Farm Bureau organization. It is structured to lobby for the farmers' interest."

The major purpose of the meeting was to adopt local Farm Bureau policy, and to forward resolutions on state and national issues to the state convention in Norfolk, Dec. 2-4.

Local policy included 1. Request the Board of Supervisors to adopt, at the earliest possible date, a Special Land Use Classification, Assessment and Taxation Ordinance as authorized under the State Special Assessments Oct. 2 Urge the Board of Supervisors to immediately adopt legislation staggering the terms of its members.

Some of the state and national issues approved in the county were: State-Request that the General Assembly adopt new Malpractice Legislation with a design to better protect the physicians and other members of the medical profession as well as the patient; We are opposed to the unionization of public employees by which collective bargaining or binding arbitratin would result in burdensome taxes and other public inconveniences.

National– We support an amendment to the U. S. Constitution to prohibit the busing of school children to achieve a racial balance; We request the adoption by U. S. Senate of the H. R. 7656 Bill on Beef Check-Offs as already passed by the House of Representatives.

Mr. and Mrs. John Hix were elected as voting delegates to the state convention.

Earl Pickett and Dallas Gilfispie were winners of AM-FM radios in the Farm Bureau's Insurance Company 25th Anniversary observance. They will be entered in the statewide contest which has a first prize of a $1500 vacation for two. The winner will have a choice of a trip to Hawaii, London and Paris, or a Caribbean cruise.

He designed a bicentennial pumpkin, using stars, liberty bell, and waving flag for facial features. James Woody contributed the jack O'Lantern and assisted in the creative carving. Jacqueline Evans made a traditional design on the pumpkin shared by Jimmy Gilliam.
